**How will we give back??** By community support, of course. Each attendee that brings (2) children's clothing item to the gala will receive (2) tickets for entry into the raffle. All items will be donated to Mary's Room, a local non-profit organization supporting mothers and children with financial hardships. This is our way to give back to the community and a great way to provide more exposure to your donation!

**Linens/Chair Rentals**

Decorative linens in natural materials, classic chiavari chairs, chair ties.

**Transportation**

The rising cost of gas and carbon emissions into the environment has prompted an opportunity to offer group shuttle service from 3 of Wisconsin's larger cities. Shuttles will be offered from Milwaukee, Madison and Green Bay with return service to occur the day after the event. Attendees will be asked to sign up for the service upon registering for the event.

**Cocktail Hour or Dessert Reception**
