Meeting Professionals International – Wisconsin Chapter

MPI – Wisconsin – Industry Leading Chapter Initiates Professional Exchange Program

Madison, WI – November 9, 2006 – Meeting Professionals International – Wisconsin Chapter (MPI-WI)

Meeting Professionals International – Wisconsin Chapter is proud to announce the inauguration of the first and, currently, the only meeting professional exchange program.

Paulette Heney, CMM, Director of Meetings, Events and Travel for United States Bowling Congress and President–Elect for MPI Wisconsin Chapter hosted Nathaly Roux of the Belgium MPI Chapter for one week in November. Ms. Roux visited various MPI Wisconsin Chapter members' work places and experienced the differences when planning meetings in foreign countries. "Although there were times I knew she was exhausted with such a packed agenda, she continued to want to fulfill all obligations to get the most out of her week," according to Paulette Heney, CMM.

The exchange program allows a meeting professional the cross over experience to learn and share best practices from members of the Wisconsin Chapter. The initiative is funded by the MPI Foundation in order to share knowledge between the European and USA chapters. The main criteria for the candidate is that they be a member of their local chapter and regularly attend educational sessions; have an international interest in MPI; write an article for both the local and host chapters' newsletters; and reciprocate hosting the meeting professional in one's own country.

Paulette Heney, CMM, will be joining her colleague in Belgium for one week in May, 2007 to fulfill the final stage of the exchange program. Ms. Heney will experience the meeting profession as executed in European countries.
