## **The Leadership Adventure**

Further develop your individual and organizational leadership abilities by seizing the opportunity to change things around you for the better. It is people that make history, not the other way around. Don't let your organization or your professional growth stand still – take charge!

After participating in this highly interactive session, you will be able to:

- Identify outstanding leadership examples
- Increase your influence power
- Utilize leadership skills to keep you ahead of the change wave
- Enhance your ability to lead in difficult environments
- Create your own leadership action plan, customized to your world

## **Bio**

Powerful, positive, and practical is how Erick Burton is frequently described. Erick Burton is known as “The Leadership Accelerator.” As president of Burton Resources, Erick has partnered with hundreds of corporations and associations as a professional speaker, facilitator, executive coach, and author. He equips people with practical tools that enable their organization to succeed.

There are no barriers for Erick in the various ways he motivates people. As a division director for a fast-growing Fortune 500 company in the United States, Erick led his division to an annualized growth rate of 350%, providing his practical hands-on approach.

Individuals respond to Erick and his natural ability to train and inspire in an inviting and entertaining manner. Erick Burton is a dynamic and versatile speaker who has proven he can bring powerful, positive, and practical results to organizations.

He is the founder of Burton Leadership Center, a 28-acre facility near Kansas City, Missouri. It features a Leadership Course designed to develop organizational and personal leadership.

Erick Burton's international expertise is included in his interactive book on leadership:

Have you filed your flight Plan? Leadership: Destination and direction
